## **Customer reviews of cafés in the town of Artingly**

**A Coffee Dream**

The décor of this café is great, but why don't the owners make it easier to queue up? There's so little space around the counter that everyone is squashed together when they order. I'd also recommend checking that there's somewhere to sit when you go in as it can get very crowded.

**B Cafelingo**

Local media are right in saying that this café makes the best cup of coffee in town, but remember to take the time to appreciate the local artwork displayed on the walls around you while you're sipping your cappuccino.

**C Billy Ding's Café**

As this café had been recommended by someone staying in our hotel, we decided to try it out. Despite being on the first floor, it was already crowded by ten in the morning, and it quickly became clear to us that this is a place that residents in the area use regularly. Fortunately, a family group left just as we arrived, and we were lucky enough to get a table overlooking the street. There we enjoyed some delicious pancakes, which we washed down with the biggest 'small' coffee we've ever had!

**D Drink in the Park**

No one can deny that this coffee house is located in a beautiful setting. If the outside tables are full, you can simply take your cup of coffee over to one of the many park benches and enjoy it there, which is what we often do.

**E Chocolotta's**

We've been here several times and always order the same drinks and food. The last few times, however, we've noticed that the rolls have less filling and the coffee tastes watery. Perhaps the company is trying to cut costs, but this will only lead to customers going elsewhere.

**F Café Soloist**

After a considerable search, we eventually found Café Soloist tucked away behind an organic grocery store. There was nothing outside to indicate that it was there, which would have been helpful! Once inside, we were presented with a menu that had more coffee options than we had ever seen before. Twenty minutes and a lot of discussion later, we finally decided what we wanted. We could then sit back and enjoy the happy chatter and welcoming atmosphere around us.

## Frog Valley development

*Creating a better area to meet the needs of the local community*

The proposal to develop the part of our city known as Frog Valley has now been passed to the local council for consideration and approval. In case you missed earlier newspaper reports, here briefly are some of the changes and improvements that are being planned for the site.

An area of land in the south-east corner of Frog Valley has been allocated to the construction of a new primary school which, if building does go ahead, will accommodate 300 children. The size and location of the school mean that admission will not be limited to families who live in the area.

Another feature that will bring people together will be the new shopping mall. Plans are to move all the existing local shops, which are currently located in small groups around the site, into one shopping zone, and this will see the addition of an organic farm shop and a vegan store.

A community centre will be central to the development of the site. It will provide a much needed meeting place for clubs and societies that, until now, have had to meet wherever they can find a venue. The pride of the centre will be a multi-gym with swimming pool – something younger residents have been requesting for some time but that has never been possible, due to cost.

For many years now, local businesspeople have been asking for better business premises, and this is now a priority for Frog Valley. Twenty thousand square metres of space will be used to house anything from small startups to large existing local businesses. It will be built to the south-east of the site, with dedicated car parking for office workers, either within each office area or in a single car park.

At our public consultation meeting, some residents asked if it would be possible to include services such as dentistry and various types of medical testing facilities within the health centre. This would mean adding to the existing building and there are no plans to do this at present. However, it will be possible to see a doctor at weekends and in the evenings, which is a welcome development.

### Percil Training Institute

Welcome to the Percil Training Institute. We hope that you will enjoy your course of training with us. This information is provided to introduce our Institute and to let you know some of the important features of our professional training courses.

#### Courses

Percil Training Institute was established to provide high quality short-duration training programmes for a range of professional needs. It has a highly trained and experienced teaching staff, many of whom have taught overseas.

Percil Training Institute provides courses in ten-week modules. Most courses (e.g. Office Management, Librarianship, Medical Records Organisation) consist of two modules, although some courses (Biotechnology, Computer Analysis) are three or four modules long. There is a break of two weeks between each module but since projects or assignments are set for completion in these periods, it is not possible to take vacations during this time.

Since each course has varying needs, there are not necessarily any set hours for classes across all programmes. You will need to consult the timetable for your course, which is printed at the front of your own course manual.

Please be reminded that Percil Training Institute cannot provide attendance or achievement certificates for students who have missed part of their course as a result of not reading their own course timetables properly. Legitimate reasons for non-attendance (e.g. illness) will be given consideration provided that documentary evidence is provided. In this case, an achievement certificate only will be issued.

#### Facilities

The opening times of the snack bar, coffee lounge and restaurant are printed below your course timetable. No bookings are required for any of the eating places except the restaurant for Friday and Saturday dinner. The coffee lounge and restaurant are not normally open on public holidays. However, a group booking may be made for the restaurant for dinner on such days, provided that there is a minimum of 20 people in the group. A non-refundable deposit will be required for such a booking.

## *Test 4*

The Institute has a very fine sports complex. The swimming pool is open daily from 8.00 am to 8.00 pm and can be used free of charge by all Percil students who present a valid student enrolment card. The squash courts can be booked by any student with a valid student card and the hire cost is \$4.50 per half hour. The gymnasium is available for a ten-week membership fee of \$40.00, or \$5.00 per visit, or an annual subscription of \$100. Guests of Percil students are welcome to use the swimming pool but not the gymnasium areas.

### **Security**

Please be careful that you do not leave valuable items in the classroom areas at any time. Percil Training Institute cannot be held responsible for any loss or damage to students' property as a result of student negligence. After 8.30 pm the front doors of the Institute are locked. If you need to gain access to the Institute after this time, please contact the caretaker by pressing the doorbell and speaking through the intercom. If you are admitted by the caretaker you will be required to show your student card.

### **Medical Care**

Minor accidents and injuries can usually be attended to on the premises, in the Health Centre on the third floor. These services are free. Headache pills and other analgesics are available at standard pharmacy prices.

## Percil Memorial Training Scholarships (3 offered per year)

Percil Training Institute offers a number of scholarships for people from overseas who plan to live in Australia and need re-training. These scholarships are available for full-time study only and are not offered for courses of less than 20 weeks' duration.

### Requirements/eligibility

Applicants for these scholarships must be of high academic ability as revealed in the qualifications they have already gained in their home country; alternatively, they must have at least five years of significant work experience in their chosen field and must produce evidence in the form of references from at least two employers or supervisors.

### The award

These scholarships offer return airfares to Australia from your home country, provided that the distance by air from your city of departure to Sydney is not more than 2,500 kilometres. If the distance exceeds this amount, you will be provided with airline vouchers. Travel expenses to and from airports on both the outward and return journeys are paid for, and there is an airline excess baggage allowance of 120 kg.

Personal removal expenses for scholarship holders are not paid. If the scholarship holder is married at the time of applying for the scholarship, some travel and removal costs may be paid for the husband or wife. Travel costs or support for dependent children are at the scholarship holder's expense.

Scholars are eligible for assistance with accommodation within the Sydney metropolitan area, although married accommodation is unavailable on the Percil Institute campus. Since demand for accommodation on the campus is always high, scholarship applicants are advised to apply at least ten weeks before intending to come into residence.
